### AN AGED WOMAN

Tells How Vinol Made Her Strong

In her eighty-second year Mrs. John Wickersham, of Russellville, Pa., says: "I was in a run-down, feeble condition and had lost flesh. A neighbor asked me to try Vinol, and after taking two bottles my strength returned; I am gaining in flesh, it has built up my health and I am feeling fine for a woman of my age, so I get around and do my housework."

The reason Vinol was so successful in Mrs. Wickersham's case was because it contains the very elements needed to build her up.

### Cold Settled In His Back

"Foley Kidney Pills always give me prompt relief," Ed Veltan, Rogers, Neb., writes.

Ed Veltan, of Rogers, Neb., writes: "I have used Foley Kidney Pills for backache, the result of catching cold which settled in my back. Foley Kidney Pills always give me prompt relief and I can cheerfully recommend them."

The reason Foley Kidney Pills act so satisfactorily is because they neutralize and dissolve the poisons and waste matter that remains in the blood because the kidneys do not do the work properly in filtering and casting out from the system uric acid and other poisons.

Relief usually follows in a few days and such symptoms as pain in the sides or back, stiff joints, sore muscles, rheumatism, too frequent action of the bladder at night, and other painful and annoying ailments disappear. Foley Kidney Pills contain no harmful ingredients. They are safe as well as quick acting.
